If my student becomes involved in any behavior which presents a danger to his/herself and/or others or is considered seriously inappropriate (e.g. general harassment, leaving the site of the event, sexual harassment, sexual misconduct, use of drugs or alcohol, use of cigarettes, or participation in any illegal activities), one or more of the following steps may be taken: exclusion from participation in event activities, phone call to parent or legal guardian, and/or expulsion from the event. I understand that if my student causes damages at the site of the event, I will be charged for such damages. However, I realize that the District 5340 Rotary Model UN Committee will make the final decision in any action that involves my student irrespective of my opinion. I understand that the Model UN Committee reserves the right to handle the situation in any way that it deems appropriate and that will have the most positive result for the student and for the entire group.

During the Conference, and for all training sessions leading up to the Conference, I give permission for my child to be transported in a car or van to and from these sessions by his advisor, or other advisors and supervisors affiliated with the Model UN Conference.
